The City and the Association agree that in the event the City substantially changes a job classification which remains within the bargaining unit or combines job classifications within the bargaining unit, the City will bargain with the Association upon their request concerning the appropriate rate of pay for the new, changed, or combined job.

Until agreement is reached or impasse is resolved, affected employees will be paid as determined by the City. Upon agreement as to the rate of pay for the new, changed, or combined job(s), the agreed rate shall be retroactive to the date that the Association's request for negotiation was received by Management.

The City agrees to provide the Union with a periodically updated list of employees who have been hired, promoted and/or transferred into positions that are within the bargaining unit.

The parties agree that they will periodically review the job classifications and, if appropriate, file a joint petition to Public Employees Relation Commission (PERC) to determine which positions should be included or excluded from the bargaining unit.

Section 1.3. Job Descriptions. The parties agree that any changes in the job descriptions for all positions in the bargaining unit are subject to impact bargaining and not the Personnel Board. Further, any provision in the job descriptions for all bargaining unit positions requiring City employment shall be removed effective upon ratification.

ARTICLE 2
DEDUCTION OF ASSOCIATION DUES

Section 2.1. Check-off. Upon receipt of a lawfully executed written authorization from an employee, which is presented to the City by an official designated by the Association in writing, the City agrees during the term of this Agreement to deduct the uniform biweekly Association dues of such employees from their pay and remit such deductions to the Association Treasurer together with a list of the employees from whom deductions were made; provided, however, that such authorization is revocable at the employee's will upon thirty (30) days written notice to the City and the Association. The Association will notify the City thirty (30) days prior to any change in its dues structure.

On January 1 of each year of this Agreement, the Association will remit to the City \$100.00 as an administrative fee for the collection of dues by the City.

Section 2.2. Indemnification. The Association agrees to indemnify and hold the City harmless against any and all claims, suits, orders or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provision of this Article.

ARTICLE 3
MANAGEMENT RIGHTS

It is recognized that, except as stated herein, it is the right of the City to determine unilaterally the purpose of each of its constituent agencies, set standards of service to be offered to the public and exercise control and discretion over its organization and operations. The Association recognizes the sole and exclusive rights, powers, and authorities of the City further include, but are not limited to, the following: to direct and manage employees of the City; to hire, promote, transfer, schedule, assign, and retain employees; to suspend, demote, discharge or take other disciplinary action against employees for just cause; to relieve employees from duty because of lack of work, funds or other legitimate reasons; to maintain the efficiency of its operations, including the right to contract and subcontract existing and future work; to determine the duties to be included in job classifications and the numbers, types, and grades of positions or employees assigned to an organizational unit, department, or project; to assign overtime and to determine the amount of overtime required; to control and regulate the use of all its equipment and property; to establish and require employees to observe all applicable rules and regulations; to conduct performance evaluations; and, to determine internal security practices; provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement. The Association, its officers, agents, and members agree that they will not interfere with Management in the performance of its duties.

The City agrees that, prior to layoff of bargaining unit members, it will advise the Association.

If, in its sole discretion, the City determines that emergency conditions exist, including, but not limited to, riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this Agreement may be suspended by the City Manager or his/her designee during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.

Should an emergency arise, the Association President shall be advised, as soon as possible, of the nature of the emergency.

ARTICLE 4
PROHIBITION OF STRIKES

No employee, Association officer or agent shall instigate, promote, sponsor or engage in any strike, slow down, concerted stoppage of work or any other intentional interruption of the operation of the employer, regardless of the reason for doing so. Any and all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the City. Such discharge or discipline shall not be the subject of any grievance procedure or appeal procedure provided in the Agreement, except as to the question of fact.

In the event of a strike, slow down, concerted stoppage of work, or other intentional interruption of the operations of the employer, regardless of reasons for doing so, the Association shall take direct and immediate action to the fullest extent of its power to bring about a cessation of such activities.

The employees and the Association, individually and collectively, found to be in violation of this Article shall be liable for any damages or costs which might be suffered by the City as a result of a violation of the provisions of this Article, in accordance with law.

ARTICLE 5

ASSOCIATION REPRESENTATION AND EMPLOYEE RIGHTS

Section 5.1. Association Representation

- 1) The Association may select a chief unit representative and up to four (4) employees from within the bargaining unit to act as Representatives. The Association will make a good faith effort that each employee comes from a different division and/or work unit. The names of Association Representatives shall be certified, in writing, to the City Manager and/or his or her designee for Labor Relations, as well as to concerned Department Directors. With the prior approval of concerned supervisors, the five (5) Representatives may use union time bank hours to attend grievance meetings, pre-discipline investigation meetings, and labor/management committee meetings without loss of pay for time spent during the Representative's regular work schedule. No more than two (2) Representatives may use union time bank hours at the same time. The supervisor's approval will not be unreasonably withheld; provided, however, Representatives will conduct their business so as to not disrupt the normal activities of City Departments. Representatives are required to return to work and notify their supervisor immediately following or as soon as practicable after any such meeting being attended.

- 2) Up to four (4) employee members of the Association's bargaining team may attend contract negotiation sessions with the City during their assigned work hours without loss of pay. Each employee must come from a different division and/or work unit within the employee's department.

- 3) The Association may designate two (2) employees to attend City Commission meetings, Personnel Board Meetings, Pension Board Meetings or other City meetings when a matter directly relating to the Collective Bargaining Agreement is on the Agenda of the City meeting during his/her regular work hours without loss of pay, provided that neither Representative shall attend the same meeting as the other Representative at the same time. Prior approval must be given by the Representative's supervisor. The Representative is required to return to work and notify their supervisor immediately or as soon as practicable after the particular matter relating to the Collective Bargaining Agreement has been addressed.

Any absence provided for herein shall be subject to the prior written request by the Representative at least twenty-four hours prior to such meeting and requires the approval of the employee's supervisor. The supervisor's approval will not be unreasonably withheld; provided, however Representatives will adhere to the aforementioned request notification procedures. Employees shall not be paid overtime for attendance at any meeting discussed in this Article. Approval to attend emergency meetings may be granted verbally and within the twenty-four (24) hour timeframe.

- 4) A maximum of two (2) delegates of the Association's four (4) Representatives will be granted a leave of

absence with pay not to exceed five (5) business days per delegate (for a total of ten (10) business days) per calendar year, for the purpose of attending State and International union conventions. The two (2) delegates shall not be from the same division and/or work unit. Leaves of absence shall not exceed ten (10) business days in total in any calendar year. Business days shall be defined as Monday through Friday, excluding City recognized holidays and are not permitted to be taken in any two (2) consecutive workweeks. All requests for leave shall be submitted to the Office of Labor Relations by the Association's President. The Association's President shall provide supporting documentation for the dates and locations of any such conventions a minimum of eight (8) weeks in advance for any leaves of absence requested. The Office of Labor Relations shall forward all granted leaves of absences to the appropriate department director and/or direct supervisor so that the department directors can make appropriate arrangements.

- 5) The Association shall have the right to send one (1) of its four (4) designated Representatives authorized with pay to attend and participate in City-wide employee orientations for new hires whose classification is represented by the Association, provided that attendance is only permitted for the portion of the Citywide employee orientation where Collective Bargaining Units are permitted to address the attendees. The Representative is required to return to work immediately or as soon as practicable after the particular matter relating to the Association has ended.

Section 5.2. Employee Rights.

- 1) An employee is entitled to request that a single Association Representative be permitted to attend all formal interviews where the City's representative intends to gain information from the employee being interviewed that may result in disciplinary action against the employee. The employee shall be informed of the nature of the interview, the alleged conduct being investigated, and if requested by the employee, given a reasonable period of time prior to the interview to contact an available Association Representative, provided that the interview is not reasonably delayed.
- 2) No disciplinary action which results in loss of pay shall be taken against an employee unless he/she is notified of the action and the reason(s) for such recommended action given in writing prior to the action. Notice in writing shall be given to the employee as soon as practicable but no more than seventy-five (75) days after the date when the City is made aware of the alleged incident giving rise to the action, along with a copy provided to the Association. A thirty (30) day extension will be granted by the union at the request of the City due to extenuating circumstances.
- 3) Management will adhere to progressive discipline where appropriate.
- 4) Written "verbal warnings" shall not be kept in an employee's personnel file maintained in Human

Resources unless it is a document supporting formal disciplinary action (i.e. suspension/termination). If an employee receives two (2) or more written verbal warnings for a similar action and/or behavior during the time period being assessed for the employee's Annual Performance Evaluation, the written verbal warning shall be used in that particular employee's Performance Evaluation.

- 5) No employee shall be retaliated against or threatened with retaliation by reason of the employee to exercise their rights set forth in this Agreement.
- 6) The City and the Association agree not to interfere with the rights of an employee to become or not become a member of the Association.
- 7) Upon reasonable request, an employee shall have the right in the presence of the appropriate representative of the City, to review and copy all or a portion of the employee's official records which are a part of the employee's personnel file maintained by Human Resources or the employee's personnel file maintained by the employee's Department. The City may charge a reasonable fee for copying in accordance with Chapter 119, Florida Statutes, but under no circumstances will the City charge the employee for labor fees associated with the request.

ARTICLE 6
GRIEVANCE PROCEDURE

Section 6.1. Purpose. It is recognized that complaints and grievances may arise between the bargaining agent and the employer or between the employer and any one or more employees concerning the application or interpretation of any provision of this Agreement. The employer and the bargaining agent desire that these grievances and complaints be settled in an orderly, prompt and equitable manner so that the efficiency of the City of Miami Beach may be maintained and the morale of employees not be impaired. Every effort will be made by the employer, employees, and bargaining agent to settle the grievances at the lowest level of supervision. The initiation or presentation of a grievance by an employee will not adversely affect his/her standing with the employer. Further, it is agreed that the Association may process grievances, advise, or participate in meetings or interviews on behalf of its members, subject to the provisions of this Agreement or as otherwise provided for under State and/or Federal law.

No reprisals of any kind will be made by agents of the City against the grievant(s) or the Association's Representatives by reason of such participation in the processing of their grievance. Similarly, the Association, its officers or agents, shall not impede, malign, or delay the City or Management's representative in their duties during the investigation or processing of said grievance.

The parties agree that the grievance/arbitration process set forth in this Agreement shall be the sole and exclusive method of resolving all grievances by bargaining unit employees. Employees covered by this Agreement shall no longer be able to file an appeal or grievance via the City's Personnel Board procedure for any issue/matter, and the parties agree that the Personnel Board shall not have any jurisdiction to hear any grievance or appeal filed by the bargaining unit or any bargaining unit employee regarding discipline or any other issue or matter.

If, during the term of this Agreement, the City creates an alternative dispute resolution process, then the parties agree to meet and discuss whether that alternative dispute resolution process may be used by the bargaining agent and/or bargaining unit employees via a binding Election of Remedies in lieu of the contractual grievance process.

Section 6.2. Definitions.

- a) **Grievance** - a grievance is a dispute involving the interpretation or application of the express terms of any provision of this Agreement, excluding matters not covered by this Agreement or where Personnel Board rules and regulations are involved. Disciplinary actions, including discharges, may be grieved under this Article, as provided herein. Grievances regarding certain non-disciplinary matters, such as disagreements as to the meaning or application of or changes to Personnel Rules or other work rules or policies, may be filed by the bargaining agent via the contractual grievance process, provided however, that such grievances shall be eligible for

processing only to Step III of this grievance process, and that the City Manager's (or designee's) decision at Step III shall be final and binding and shall not be subject to arbitration or any other further appeal. Grievances regarding questions of other non-disciplinary/contract interpretation matters shall be subject to the requirements of this grievance and arbitrator procedure.

- b) Aggrieved Employee(s) - the employee(s) filing the grievance or causing the grievance to be filed.
- c) Immediate Supervisor - the individual having immediate supervisory authority over the aggrieved employee(s).
- d) Division Head - the head of the division in which the aggrieved employee(s) works.
- e) Department Head - the head of the department in which the aggrieved employee(s) works.
- f) Days - days as referred to as time limits herein shall mean working days (i.e., Monday through Friday, exclusive of scheduled holidays).

Section 6.3. Special Provisions.

- a) The time limits set forth herein may only be extended and/or modified by written agreement. The City Manager or designee may agree to a written extension of the grievance time limits, on behalf of the City, at any step in the grievance process.
- b) If the employer violates any time limits, the bargaining agent may advance to the next step without waiting for the employer's response. If the Association or the grievant(s) fail to initiate or move the grievance through the grievance procedure, in accordance with the time limits set forth herein, it shall be deemed untimely and considered withdrawn.
- c) The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending; except where the safety of a working condition or health of the employee(s) is the basis of the grievance.
- d) The aggrieved employee shall be allowed to be present at the various formal steps of the grievance procedure, including arbitration. To the extent said employee is on his/her regular work schedule, he/she may attend without loss of pay for those actual hours during their regular work schedule.
- e) The Association shall designate in writing to the City the name of one individual who shall be

designated as the Chief Steward, whose function shall be to assist the bargaining unit members in the processing of complaints and grievances under this procedure. In order to investigate, discuss and process grievances, the Chief Steward must request and receive written permission twenty-four (24) hours in advance but it may be less than twenty-four (24) hours in emergencies. Pursuant to Section 5.1 (1) herein, the Chief Grievance Representative is required to return to work and notify their supervisor immediately following or as soon as practicable after any such meeting being attended for grievance matters.

- f) An employee may request Association representation in accordance with the provisions of this Agreement at each and every step of the grievance procedure set forth in this Agreement.
- g) The bargaining agent, in accordance with its own lawful internal rules, shall have the sole and exclusive right to determine whether any grievance warrants processing through this arbitration procedure. In the event the bargaining agent determines at any step of the grievance procedure that a grievance does not warrant processing, a written notification of that determination shall be sent to the City Manager's designee for Labor Relations, with a copy to the employee(s) involved who shall then be free to process it themselves or through legal counsel up through Step III only (except in cases of certain disciplinary actions as noted herein).
- h) If the bargaining agent has declined to process or further process any grievance presented to it, and if any employee, or group of employees, desires to process it or further process their own grievance through this procedure (subject to the limitations set forth herein), the bargaining agent shall be sent copies of all written communications sent by the employer or the employee(s) involved. Further, nothing herein contained shall be construed to prevent any public employees from representing, at any time, their own grievance in person or by legal counsel to the employer, and having such grievance(s) adjusted without the intervention of the bargaining agent, provided however, that the adjustment is not inconsistent with the terms of the collective bargaining agreement then in effect; and provided further that the bargaining agent has been given notice and a reasonable opportunity to be present at any meeting called for the resolution of such grievances.
- i) The bargaining agent shall not be responsible for any costs (including arbitration costs) attendant to the resolution of any grievance(s) it has not processed.
- j) The parties acknowledge that multiple grievances may be combined at any stage of the grievance procedure where the class of aggrieved employees is clearly defined and the subject matter of the grievances is the same or similar.

- k) At Step I, all formal grievances shall be presented on the Grievance Form provided by the City. The grievance shall include the date of the alleged violation, the specific article and section grieved; a brief description of the grievance, and the remedy requested. The Election of Remedy Form shall be attached to the Step I grievance.
- l) Verbal warnings may be grieved only through Step I of this procedure. Written warnings may only be grieved through Step II of this procedure.

Section 6.4. Election of Remedies. It is agreed by the Association that employees covered by this Agreement shall make an exclusive election of remedy prior to filing a Step I grievance or initiating action for redress in any other forum (to the extent that any other such process is available). Such choice of remedy will be made in writing on the Election of Remedy Form to be supplied by the City. The Election of Remedy Form will indicate whether the aggrieved party or parties wish to utilize the grievance procedure contained in the Agreement or initiate action for redress before a governmental board, agency, or court proceeding (to the extent that such other process is available). Selection of redress other than through the grievance procedure contained herein shall preclude the aggrieved party or parties from utilizing said grievance procedure for adjustment of said grievance. If applicable, the Election of Remedy Form shall be attached to the Step I grievance.

GRIEVANCE STEPS:

STEP I

- a) The grievance shall be filed within fifteen (15) days of the alleged violation, misinterpretation or misapplication of the terms and conditions of employment set forth in this Agreement.
- b) The grievance shall be filed with the division head in writing, on the Grievance Form as provided by the City, and as agreed herein, and shall state the specific article, section and language alleged to have been violated. If applicable, the Election of Remedy Form shall be attached to the grievance.
- c) The division head or his/her designee shall note the date of receipt of the grievance on the Grievance Form, and shall schedule a meeting with the aggrieved employee to take place within ten (10) days of receipt of the grievance.
- d) Within ten (10) days of the meeting, the division head shall render a decision and shall immediately communicate that decision in writing to the aggrieved employee, the bargaining agent, the department head and the City Manager's designee for Labor Relations.

- e) The aggrieved employee(s) and/or the bargaining agent may appeal the decision of the division head within ten (10) days of receipt of the decision.
- f) The appeal shall be submitted in writing on the Grievance Form to the department head. Failure to appeal the decision of the division head within ten (10) days shall constitute acceptance by the aggrieved employee(s) and the bargaining agent of the decision as being a final resolution of the issues raised.

STEP II

- a) If the aggrieved employee(s) appeals the decision, the department head shall schedule a meeting to take place not more than ten (10) days after receipt of the appeal. The bargaining agent shall be advised in writing as to the date of the proposed meeting, and shall have the right to send one (1) observer to the proceedings if the bargaining agent is not involved in the actual representation of the aggrieved employee(s).
- b) Within ten (10) days of the meeting, the department head shall render a decision and shall immediately communicate that decision in writing on the Grievance Form to the aggrieved employee(s), and to the bargaining agent and the City Manager's designee for Labor Relations.
- c) The aggrieved employee(s) may appeal the decision of the department head within ten (10) days of receipt of the decision. The appeal shall be communicated in writing to the City Manager or his/her designee for Labor Relations on the Grievance Form and shall include copies of all pertinent documentation. Failure to appeal the decision of the department head within ten (10) days shall constitute acceptance by the aggrieved employee(s) and the bargaining agent of the decision as being a final resolution of the issues raised.

STEP III

- a) If the aggrieved employee and/or a Representative of the bargaining unit appeals the decision, the City Manager, or his/her designee for Labor Relations (if a conflict exists, Assistant City Manager may be the designee), shall schedule a meeting with the aggrieved employee to take place within fifteen (15) days after receipt of the appeal.
- b) Within fifteen (15) days of the meeting, the City Manager or his/her designee for Labor Relations shall render a decision and shall immediately communicate that decision in writing to the aggrieved employee and the bargaining agent.
- c) Failure to appeal the decision rendered in Step III within fifteen (15) days (for matters that are

subject to the arbitration procedure) by notice of intent to submit to arbitration shall deem the decision at Step III to be final and no further appeal will be pursued.

Section 6.5. Arbitration. If the employer and the aggrieved employee(s) and/or the bargaining agent fail to resolve the grievance, the grievance may be submitted to final and binding arbitration by an impartial neutral mutually selected by the parties, provided that the grievance involves a matter that is subject to the arbitration process. However, the parties agree that the bargaining agent maintains the exclusive right to determine whether any grievance concerning a non-disciplinary matter (that is outside the scope of Section 6.2 (a)) should be taken to arbitration under this procedure. In cases involving the issuance of certain disciplinary actions (i.e., only suspension without pay, disciplinary demotion, or termination), the parties agree that an individual employee who is not represented by the bargaining agent may elect to proceed to arbitration under this procedure, provided that the employee shall be responsible for all costs and fees related to presenting his/her case.

- a) Notice of intent to submit the grievance to arbitration shall be communicated by the office of the Association President in writing to the office of the City Manager's designee for Labor Relations within fifteen (15) days of the receipt of the decision at Step III. Any request to go to arbitration on behalf of the employer is to go to the Association President.
- b) Within fourteen (14) days after written notice of submission to arbitration, the parties will agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve.

If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time, a request for a list of five (5) arbitrators shall be submitted to the Federal Mediation and Conciliation Service. Both the City and the Association shall have the right to strike names from the panel. The striking of names from the list of proposed arbitrators shall be accomplished by having the parties alternately cross out names on the list.

The arbitrator shall be notified of his/her selection within five (5) days by a joint letter from the City and the Association requesting that he/she set a time and place for a meeting, subject to the availability of the City and the Association.

- c) The arbitrator shall have no right to amend, modify, ignore, add to, or subtract from the provisions of this Agreement. He/She shall consider and decide only the specific issue submitted to him/her in writing by the City and the Association, and shall have no authority to make a decision on any other issue not submitted to him/her. The arbitrator shall submit in writing his/her decision within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever is later, provided that the parties may mutually agree in writing

to extend said limitation. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. Consistent with this Section, the decision of the arbitrator shall be final and binding.

All arbitration costs, including the cost of stenographic reporting of the arbitration hearing, if agreed to by the parties, shall be divided equally between the employer and the bargaining agent (or the employee in cases where the bargaining agent is not representing the employee). Each party will pay the cost of presenting its own case, including the cost of attorney fees and witnesses.

Section 6.6. Differences Concerning Personnel Rules. A difference of opinion with respect to the meaning or application of the Personnel Rules which directly affects wages, hours, or working conditions may be submitted through Step III of the grievance process as set forth in Section 6.2 (a). The Personnel Rules are incorporated herein, unless otherwise specifically provided for in this agreement.

ARTICLE 7
HOURS OF WORK AND OVERTIME

Section 7.1. Normal Workday. The normal workday shall consist of eight (8), ten (10) or twelve (12) hours of work, exclusive of the lunch period, in a twenty-four (24) hour period, unless some other workdays are specifically authorized by the City Manager. Employees shall be assigned twelve (12) hour workdays only during emergency situations and/or special events, as declared by the City Manager or his/her designee.

In order to strengthen the parties' labor/management relations, the Association agrees to participate with the City in labor-management committees to address the issues in Departments. Such committees may be requested by the Association or by the City (through the City Manager, Department Directors, or designees) to meet at mutually accepted times.

Section 11.6. Safety. The City agrees to provide, at no cost to the employee, any appropriate safety equipment required to be worn or otherwise utilized by the employee. At the request of the appointing authority, the City Managers designee for Human Resources may extend the probationary period for up to three (3) additional months provided that the reasons for extension are given to the employee in advance of the expiration of the initial probationary period. The City acknowledges the importance of giving timely performance appraisals and feedback to probationary employees.

Section 11.9. Notification in the Event of Transfer or Contracting Out. When the City contemplates entering into a contract with an outside supplier or service agency to perform services presently being performed by bargaining unit employees and such contract shall result in the lay-off of any bargaining unit employee, the City agrees that it will, upon written request, meet and discuss with the Representatives of the Union the effect of such contract upon members of the bargaining unit.

If the City enters into such a contract and, as a result thereof, an employee will be laid off, the City agrees to ask the Contractor to provide first consideration for such employee for any available work.

In the event that the employee is not employed by the contractor, the City will offer such employee another available job with the City, if there is a budgeted vacancy and the employee affected by the subcontracting is qualified to perform. Questions of qualification to perform the job duties shall be decided in the sole discretion of the City Manager's designee for Human Resources.

If there are no jobs available, the reduction in force provision contained in the Personnel Rules shall apply,

provided that such laid-off employee shall be recalled to work before the City hires new permanent employees to perform the work of the classification held by the employee at the time of the layoff.

It shall be the responsibility of the laid-off employee to notify the Human Resources Department when technical skills, training, and experience have been enhanced during the lay-off period, which may allow the individual to apply for another bargaining unit job with the City.

Nothing in this Section will be construed to limit the Association's right to bargain concerning the identified impact or effects of subcontracting out or transferring upon Bargaining Unit members.

 - For those members whose promotion date and date of employment are the same, seniority shall be determined by the higher score on the eligibility list.

Approval for an advanced pay check will not be unreasonably withheld.

Section 11.14. Mentoring Program. Bargaining unit employees may request to participate in the City's Mentoring Program, as set forth in the Human Resources' Department policies and procedures, which may be changed from time to time or discontinued at the City Manager's discretion. Whenever a bargaining unit job opening occurs in any existing job classification or as a result of the development or establishment of a new classification, a notice shall be posted for no less than two (2) weeks.

Eligible and qualified employees who wish to apply for the open bargaining unit position may do so in writing and submit the application to Human Resources. If there is more than one (1) employee qualified for promotion to the bargaining unit job classification that have equal skill, ability and qualifications (factors to be considered include but are not limited to skill, ability, qualifications, interview score, disciplinary history, attendance history and performance evaluation scores) then seniority with the City shall apply. ARTICLE 12

a) All employees are subject to random, unannounced testing for use of substances as set forth below. The use of legal controlled substances is permitted only when prescribed to the employee by a licensed health care provider and is properly used by the employee.

b) Upon reasonable suspicion by a division director, or higher, that an employee has used a drug as defined in Florida Statutes Section 44.102(1)(c), as that section may be amended or renumbered, and as listed herein; or has used alcohol in violation of any rule, order, policy, procedure, or law; or has used a legal controlled substance to the extent that his or her job performance is affected, shall be directed and required to submit to drug and alcohol testing. Any employee who has been in a vehicle crash with injuries and any employee returning to work after an absence of three months or more shall be required to submit to drug and alcohol testing prior to returning to duty.

c) All reasonable suspicion and post-accident test must be coordinated through the Assistant Human Resources Director for Labor and Employee Relations who is available 24/7 for this specific function. In his or her absence, the Risk Manager is the next person to contact. If both are unavailable, the Human Resources Director will assume responsibility for coordinating efforts.

d) Testing is subject to the following conditions:

1. An accredited, State licensed clinical testing laboratory will be selected by the City. A split specimen will be taken. If the results are positive, and the employee challenges the results, the second portion of the split specimen will be tested at another accredited, State licensed clinical laboratory of the employee's choice and at the employee's expense. One portion will be tested by each laboratory. All positive tests for illegal or controlled substances shall be confirmed by Gas Chromatography Mass Spectrometry (GC/MS) or equivalent testing method.

2. Testing for alcohol shall be by breath-testing unless the employee is or claims to be unable to provide an adequate sample. In such a case, a blood test will be performed. If the employee's breath test is positive, a confirmation blood test will be performed.

3. A breath alcohol level of 0.04 or higher and its equivalent blood test outcome shall constitute a positive result. Below are some of the substances tested for. The list is not all-inclusive and may be changed at any time by the City.

g. Employees testing positive may be offered the opportunity to enter into a “Last Chance Agreement” to continue their employment. The Agreement shall require participation in a rehabilitation program, unannounced follow-up testing for a period two (2) years and such other requirements as set forth by the City. The City reserves the right to terminate an employee without providing him/her with a Last Chance Agreement. Employees under a Last Chance Agreement who test positive shall be terminated from employment with the City and this is not grievable under the grievance procedure. Any employee without the required insurance coverage, as stipulated herein, may have the take-home vehicle privilege revoked at the City's discretion. If the insurance industry no longer provides the extended non-owner coverage endorsement or non-owner auto insurance coverage, there will be a re-opener in order for the City and Union to discuss the provisions set forth in this section only.

ARTICLE 17
ENTIRE AGREEMENT

The Association acknowledges that during negotiations resulting in this Agreement, it had the right and opportunity to make demands and proposals with respect to any and all subjects not removed by law from the area of collective bargaining and that the complete understanding and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. Therefore, the Association waives the right, during the term of this Agreement, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, and it particularly waives the right to bargain over the City's exercise of any of its Management's rights set forth in the Management Rights Article of this Agreement, (i.e., changing work hour schedule, transferring employees, laying off employees, etc., except as otherwise provided herein).

The parties intend that this Agreement shall constitute the sole source of their rights and obligations from and to each other for its term either by specific provision or by silence. If the Agreement does not prevent it, the City may take any action (or fail to take any action) it desires and shall have no obligation to bargain with the Association concerning the taking, or not, of the action; but may take unilateral action at the time it desires. The Association does not waive, and shall retain its right, to bargain with the City over the impact of any action taken by the City not set forth in this Agreement, but such impact bargaining shall not serve to delay Management's action until agreement or impasse is resolved concerning the impact at issue.

This Agreement may be amended by mutual agreement of the parties but any amendments must be in writing and signed by duly authorized Representatives of the parties before it will be effective.
